Prices inclusive of VAT.

FREE DELIVERY and ERECTION on a prepared level base to most areas.

Wooden Shutters for windows available for €40 each.

Toughened Glass / Perspex / Bench Seats also available at extra cost.

Height of SIDEWALL to EAVES: 6' 6"

Entrance Clearance: Approximately 6' 6".

Window openings: 52" high x 28" wide.

Approximately 2' ROOF OVERHANG at ENTRANCE

SPECIALLY DESIGNED ROOF VENT to allow SMOKE TO ESCAPE.

Extra WIDE OVERHANG at EAVES.

Covered with durable 4 mm TORCH ON FELT.

Galvanised Nails on exterior.

Classic: 1st Grade Planed Rebated Weatherboard - All external timber on our sheds is PRESSURE TREATED. This will prevent decay due to dampness but will not prevent damage such as warping and splitting by the sun.

Exterior must be treated with a suitable wood preserver or varnish.

e.g. Classic finish – Varnish or 5 year quick drying wood stain.

Position of openings can be modified to suit customers specifications, leaving 50% open as required by law.

Please ring us for advice.

Terms and Conditions apply.
